FROM:

Deputy Director for Legislation
Office of Congressional Affairs

SUBJECT: House Foreign Affairs "Markup" Version of
"Omnibus Diplomatic Security & Terrorism
Legislation: Request for Comments

1. Attached for your information and comment please find a copy of the "Omnibus Diplomatic Security and Anti-Terrorism Act of 1986" as "marked up" by the House Foreign Affairs Committee on March 6, 1986.

2. The Office of Management and Budget (OMB) has asked this Office for the Agency's comments by 1 p.m., March 11, 1986. We would therefore appreciate receiving your comments by noon on that date. We apologize for the very short deadline, but the item was only recently printed and available to OMB and us.

3. Comments concerning the "diplomatic security" portions of the bill can be directed to [redacted] of this office and those concerning "terrorism" to [redacted] both on ext.
[redacted]

4. On the "terrorism" issue, your attention is directed to Title V of the bill. Section 504 thereof appears to be an attempt to broaden the "terrorism czar" provision which, you will recall, was an issue in last year's foreign aid bill. Section 508 is an effort to control the provision, among other things, of intelligence services by United States citizens to foreign countries.
